Fred's Update . . .

July is fast approaching. All those who plan on attending the reunion need to reserve a room as soon as possible. Anyone trying to get a room after the deadline (June) may get a room but it will cost you \$180.00 and up. There is a corporate outfit coming in and they will be paying top dollar, so if you don't reserve your room before the cutoff, you'll be out of luck.

We Would Like to Hear From You!

Of the nearly 500 Ripcord Association Members, only a small percentage attend the reunions each year and only a small percentage completed the on-line surveys. But virtually all of the Association members receive the *Ripcord Report* newsletter. We now need to hear from the newsletter readers. Tell us what you think. What can we do to make future reunions more appealing, more enjoyable and more accessible for you.

FROM THE EDITOR

This issue's theme is dedicated to The Ripcord Association. Where it came from, where it is, and where it will be going. Since it began in 1983 to the present time, the Association has grown to be a very strong group of Ripcord veterans and their families. I hope you enjoy this issue and appreciate all the work that the members have done over the years.

All comments and suggestions are always welcome please send them to:

frankmarshall@ripcordassociation.com

DONATIONS

Donations are very important! Donations pay for the printing and mailing of the newsletter. All checks should be made payable to "Ripcord Association". Please send all donations to:

INCOMING MAIL

Dear Mr. Marshall,

Enclosed is a picture of James Steven Stanley who was killed March 16th, 1970. He was a member of C Co, 2/506th. I'm in contact with Steve Manthei and Bob Tar-

buck who were friends of his while he was in Vietnam. I read on your website you are making a memorial page. This is the best picture I have of him by himself. I have some really good pictures of him with other members of his platoon if you would like me to send them also. My name is James Steven Stanley II, I was born 6-3-71. My father was his 1st cousin, they were born in the

same month and year and they had no other brothers or sisters. I also have a 4 year old son, who I named James Steven Stanley III. This is a great website, and many thanks to your organization for the things you do for the Ripcord Vets.

Hi Frank,

I was wandering if you know of any Ripcord members who are going to Welcome Home Event in Branson. I am going (only Thurs-Sunday though).

Bill Boles
bboles6166@yahoo.com

P.S. Since I cannot make Reunion In Indianapolis, I thought I might be able to meet some members in Branson Thanks

Hi Frank,

My wife and I will be attending the reunion this year. Also, my stepson who is an avid history buff, and one of the top guys at the Indiana War Museum here in Indianapolis, will also be attending. He's read everything he can on Ripcord and wants to actually meet some of the men who were there.

I've also talked to Butch Doan, a fellow pilot from the Phoenix and who was also at Ripcord, and he will be coming along too.

I'm looking forward to meeting you and the others. I've been following the progress of your Association from its inception and am very impressed with the way it's evolved into a first class outfit.

Sincerely,
Bruce Updyke
C/158th Avn Bn (AH)

Frank,

As an associate member and newsletter recipient, I would like to say you folks are doing an excellent and important job. Were it not for VN Veterans themselves, and associations such as this, the history of VN would forever be buried under layers upon layers of nonsense. Thanks to all of you for what you're doing and have done. Keep up good work.

Hi Frank

The past president of our West Point Class of '54 called me.... The Andre Lucas Heritage Center will be completed at West Point in the Spring or Fall of 2006. The West Point Class Officers will be contacting possibly MG Ben Harrison or someone in the Ripcord organization. I'll keep you posted as it progresses.

Thanks!
George Stenehjem
Ripcord Associate Member and WP CL of 54

Frank,

I have a friend whom I have met through our local VA chapter. I have found that he was in "E" Co 2/506, mortar section, during the summer of '70. I showed him the web site, he recognized John "Pops" Hedricks name. The web site doesn't have a chat room or an address book. I can't find a way to get Jim's name out for others to recognize. If you have an e-mail site that you use that isn't public, expose Jim McLeod to the group. His e-mail address is jimmcld@aol.com. He would like to hear from old friends.

Thanks,
Rick Freeman

From the Editor

I received a lot of stories, poems and other articles that are too long for the newsletter. These articles will be published on the website.

Thank you and continue sending me your info.

The Ripcord Association

The Beginning

After returning from Vietnam Chip Collins spent a lot of time thinking what had happened to himself and many others during the battle for FSB Ripcord in 1970. In an effort to tell what he knew of the event and find out other information he decided to publish a newsletter in 1985. It was a small, irregularly published beginning but it allowed Ripcord Veterans an opportunity to relate their experiences during the siege. He soon heard from others and the newsletter and the Ripcord Association grew from that very minor beginning.

You can read the entire History of the Ripcord Association on our website www.ripcordassociation.com

The Newsletter

John Mihalko and Ray Blackman were among the first to be contributors of retrospectives of their Ripcord experiences. (The first Ripcord Report published can be read on our website.) As years went by, Bill Heath had published an anniversary newsletter, Ray Blackman took over editorship quickly followed by Chuck Hawkins in the end of 1989. He continued on as editor for many years with Patti Radford doing the distribution. In 2003 Frank Marshall took over the task as the Editor with assistance from Lee Widjeskog, Patti Radford and Dennis Bloomingdale.

The Ripcord Report Newsletter is for all Ripcord Survivors, Families and Friends. Your help is needed to keep the newsletter informative by sending us the information and your donations pay for the printing and postage.

Membership

We now have 487 members in the Association. There are 354 on the mailing list and 133 receive the newsletter electronically thru e-mail. There are 328 Ripcord Veterans. The others are family, associate members and status unknown. We know this is not a "final" list. Please help us continue to revise/update our Association roster.

Website

In the last few years, the Ripcord Association with the efforts of Frank Marshall has established a website at www.ripcordassociation.com.

Since the last revision the website has had 6200 visits and before the revision had over 2,000 visits. That means our website has had over 8000 visits since it was started. It is a good place to get additional information about the Association, our Reunions, the history of FSB Ripcord, it's members, many more stories, biographies, photos and a lot of updated and important information about the Ripcord Association.

Surveys (Important)

Every so often we conduct surveys of the membership with postcards and / or the website. These surveys are important keeping an updated roll call for the membership and in helping us understand where the membership wants to hold the reunions.

Reunions

Reunions were an off-spring of the newsletter. In 1986 John Mihalko, Chip Collins, Chuck Hawkins and Frank Marshall sat in John's living room and planned the first Ripcord Reunion. John hosted the first official Ripcord Association Reunion with the help of VFW Post 5351 in Whippany, New Jersey. Thirteen veterans from the Ripcord Battle, along with various wives and girl friends, attended. The veterans included Ray Blackman, Fred Behrens, Rick Blyth, Dick Cable, Chip Collins, Jim Fairhall, Chuck Hawkins, Bill Heath, Frank Marshall, John Mihalko, John Sherba, Tom Sheppard and George Westervelt

Chuck Hawkins and John Mihalko hosted the next few reunions at Washington, Golden and Fredericksburg. Then Fred Spaulding took over and put together reunions at Mobile, Atlantic City and Savanna. Jim Campbell put the Shrevesport reunion together and Fred continued with Carlisle, Colorado Springs, Charleston, Des Moines and Indianapolis this year. Now Fred is stepping down after the 2005 and someone else is going to have to step up and take over the reunions. This will not be an easy task.

Future Reunions

Some future reunions have already been scheduled. For 2006 Fred has set up a good price back in Charleston SC. However, we need someone to come forward and handle the ground work before we arrive and direct things during the event. This is not a terribly hard job, but is best done by someone in the general area with a little bit of time. Fred will help you through the issues but the person must take the lead for the event. This will be the way the reunions will be handled in the future. Each place will be handled by someone nearby rather than have to make one person run all over the country. If anyone has a good suggestion for the 2006 reunion that might better serve our Association than a return to Charleston, please let us know and we will assess any financial penalty that we might incur by changing the location.

For 2007 Branson, MO has been selected under the direction of Mike and Liz Womack.

Frank Marshall put out a survey to see if the membership would like to have the reunion in 2008 on a Cruise Ship. The response has been very positive. I have to do more checking into it to make sure it would be practical for everyone to attend. I will keep you posted on the website and at the reunion meeting.

Reunion Locations

There has been quite a flurry of activity recently on where and when the reunions should be held. Members have to realize that it is not easy to please everyone all the time. That is what the survey is for. The person that takes over setting up the reunions is volunteering their time. We must consider that not all persons wish to attend a reunion and some cannot afford to spend a lot of time and money away from home for the events. All locations will ultimately be a compromise on cost, location and timing to satisfy the majority of attendees.
